Bristol, Pa. — April 19, 2022 — DVL Group is proud to be Certified™ by Great Place to Work® for the fifth year in a row. The prestigious award is based entirely on what current associates say about their experience working at DVL, which is 100% employee owned. This year, 91% of associates said it is a great place to work – 34 points higher than the average U.S. company. A summary of these ratings can be found at <https://www.greatplacetowork.com/certified-company/7008198>

Great Place to Work® is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention, and increased innovation.

“Certified companies put employees first” says Michael C. Bush, CEO at Great Place to Work. “Thriving employees increase revenue, profit and provide market-leading customer experiences.” And for Gary Hill, DVL’s CEO, this latest accolade serves as further reinforcement that the employee owners of DVL understand that they are a part of something special. “This certification,” he says, “is confirmation of what we strive to be and establishes the existence of an understood vision and direction.”
