### DVL Earns Great Place to Work Certification™ for Eighth Year in a Row

**Bristol, Pa.** — April 10, 2025 — Only one day after announcing the addition of its sixth office, DVL Group announces its eighth consecutive Great Place To Work® certification. The prestigious award is based entirely on what current associates say about their experience working at DVL, which is 100% employee owned. This year, 93% of associates said it is a great place to work – 36 points higher than the average U.S. company. A summary of these ratings can be found [here](#).

Great Place to Work® is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention, and increased innovation.

"Great Place To Work Certification is a highly coveted achievement that requires consistent and intentional dedication to the overall employee experience," says Sarah Lewis-Kulin, the Vice President of Global Recognition at Great Place To Work. She emphasizes that Certification is the sole official recognition earned by the real-time feedback of employees regarding their company culture. "By successfully earning this recognition, it is evident that DVL Group stands out as one of the top companies to work for, providing a great workplace environment."

"This recognition is a testament to every one of the associates and the remarkable culture we've collectively built," says DVL CEO, Gary Hill, who credits the company's employee owners for this achievement. "They contribute to this every day, and they should feel very proud of what we've accomplished together."
