DVL Chosen As One of Avetta's 2023 Supplier Award Winners

Bristol, Pa. — August 16, 2023 — DVL Group has been chosen as one of the companies to receive Avetta's 2023 Supplier Award, which recognizes organizations that make safety a priority in the workplace. As a recipient of this award, DVL is one of Avetta's ESG (Environmental, Social and Governance) Leaders, because their dedication to sustainable practices and strategies aligns with Avetta's core values of Safe, Sustainable, and Secure.

Avetta, which provides a cloud-based supply chain risk management and commercial marketplace platform, works with leading global organizations to advance safe and sustainable business practices.

Having just recently unveiled their own Safety motto, which is “**Stay Alert – Don't Get Hurt**”, DVL is proud of their commitment to safety, as it is one of their six core values. Safety is emphasized every day at their five nation-wide offices, as well as at all worksites. In addition, all DVL Associates are given the “Stop Work Authority” and are permitted to stop work in the office or in the field if a perceived unsafe condition or behavior may result in an unwanted event, that could cause harm to themselves, a customer, a partner, or anyone in the community.
